25X1 tion. As a result of their conversation with Mr. [] 25X1
and Mr. [] concluded that there may be a slight problem in
25X1 getting Mr. [] to restrict our instruction to what the DD/P case
25X1 officer needs to know about ELINT as opposed to some of the theoretical F
25X1 subject matter which Mr. [] feels the case officer "should know."

this respect, we will lose the DD/P students almost before we get

tion with previewing the presentations, we should be able to avoid
this.
